Common Project Team Issues

- A team member did not attend any team meetings
- A team member occasionally attended some team meetings
- A team member always promised to do the work, but could never deliver on time
- A team member always delivers sub-standard work
- A team member just disappears and cannot be contacted

Suggestions?

Attitude

- Team commitments and expectations
- Open communications
- Mature and Responsible personality

Best Practices

- Sprint Planning Meeting
- Daily Standup Meeting
- Daily interaction (e.g. champion on a particular topics)
- Sprint Review Meeting
- Sprint Retrospective Meeting

Further Considerations

- Be ***honest*** to your team, hopefully the whole team can come up with something
- Does the peer review process help?
