Pre-req Task[1]	All related tasks in this unit
Time	2 – 3 hours
Submission timing and tutor feedback	Please see LSR template for details

99 Pass Task 9.9 Submission Details and Assessment Criteria

If you want to get feedback of your LSR from the tutors (Optional, but strongly recommended), please stick to the schedule. We will give you feedback according to the schedule for your revision and final submission. Again - submit the [revised one based on our feedback] LSR via the Portfolio tag for your Portfolio submission. Also, due to the time constraints, we will mark it as complete even though there are many things to revise. Please read the comments carefully.

You need to fill in the details in the 99_R_LSR_Template.docx (it can be found on Task Resource), save it as a pdf in **portrait** mode[2], and then upload it to Doubtfire, with the following details:
- Your name and student id
- Your tutor's name

Tasks and Instructions

[**Tutor's Feedback**, Optional, but **strongly recommended**]
1. Complete the LSR template as per the instructions
2. Submit the LSR document in pdf format in *Pass Task 9.9* for feedback only (**this does not mean that you have submitted the portfolio**)
3. Wait for Tutor's feedback by Wed
4. Revise the LSR document based on Tutor's feedback
5. Submit the LSR document in pdf format via the *Portfolio* tag by the portfolio's due date and get a confirmation from doubtfire (**this means you have submitted the portfolio**)

Do not include Pass Task 9.9 as your Portfolio evidence.

[**No time for tutor feedback**]
1. Complete the LSR template as per the instructions
2. Submit the LSR document in pdf format via the *Portfolio* tag by the portfolio's due date
